ADVISOR

Mr. William S. Bray

TYPIST

Mrs. Phebie Rockholz

Dear Classes of 1971,

The future at Norwalk High School, and beyond, holds a wealth of rewarding experiences for all of you. During the last two or three years, we at Nathan Hale School have enjoyed working with you, as you explored the many avenues of learning in your quest for knowledge and skills.

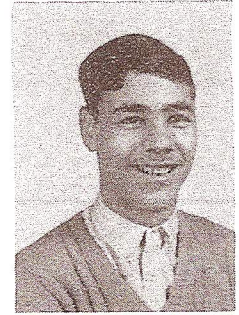

A large number of you have made significant contributions toward making your school the fine junior high that it has become. In academic pursuits, club activities, athletics, musical programs, and other areas, efforts made have been rewarded by successes which have been in proportion to your investment of thought, time, and energy.

As you move to greater challenges, my hope is that you will hold high the ideals and standards of achievement to which we subscribe. May you find abundant joy and happiness in your work and succeed in your chosen endeavors. You will if you keep your goals high and work seriously toward them.

Sincerely,

Benjamin C Isenberg
Principal
