

ACTIVITIES

STUDENT COUNCIL

In the spring of 1969, a competent party of officers named "Our Gang" was elected to the Student Council. Corresponding Secretary Mary Lou Cellucci moved to California in September, but Wendy Reeves did a fine job at that position for the rest of the year.

The year 1970 brought many new projects to NHS. A Constitution Committee drafted several changes in the school constitution. Several assemblies were organized to keep the student body in touch, and well in-

formed on important issues. Many activities, such as skating parties, night rallies, intramurals, and a tri-school dinner-dance all helped to make it a busy, and all around, successful year.

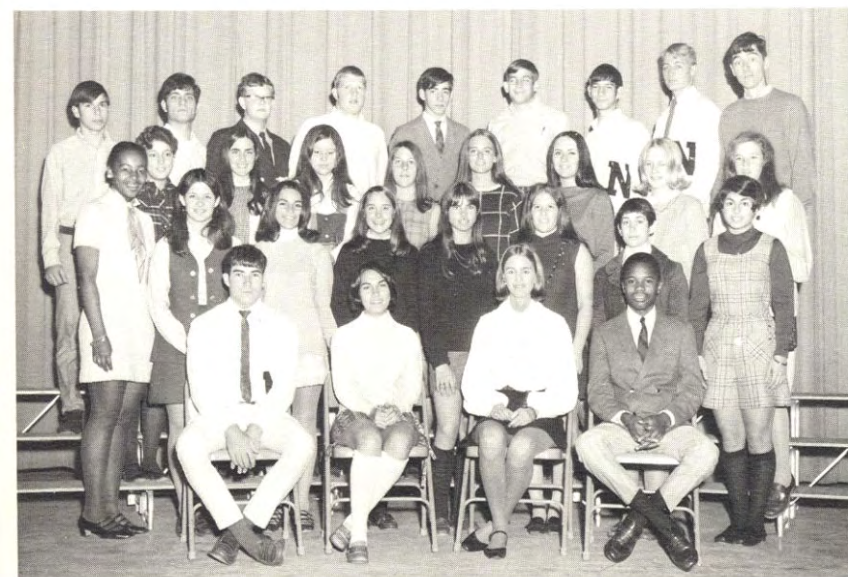

The five hard-working officers who led this year's Student Council are Richard Lewis, President, Steve Eufemia, Vice President, Wendy Reeves, Corresponding Secretary, Denise Vion, Recording Secretary, and Mike Dowling, Treasurer.

SENIOR EXECUTIVE COMMITTEE

Motivated by the members of the Senior Exec, the Class of '70 enjoyed a most fruitful and rewarding year. There were many activities sponsored by the Senior Exec. during the course of the year, the culmination of which was the Senior Prom, of course. The committee deserves special praise for initiating action on a dilemma that has plagued Norwalk High senior classes for the past few years, the parking lot problem.

The Class of 1970 extends its thanks to advisor Miss Thompson for her assistance, and to President Tom Cahalan, Vice President Lew Wyman, Secretary Pat Chard, and Treasurer Melinda Locher for their devoted leadership.

JUNIOR EXECUTIVE COMMITTEE

The Junior Executive Committee started the school year with their annual Junior Work Week, which was quite successful. Their plans for the year included a candy sale from November until Christmas, a bake sale at the Father's Pancake Breakfast, Christmas stocking sale, and, as always, the St. Valentine's Day Dance. The Class of '71's Junior year terminated with the Junior Prom.

The officers who did their utmost for '71 were President Frank Gaines, Vice President Mike Caden, Secretary Patty Bonati, and Treasurer Cynthia A. Eletto. Evie Weinstein has completed the year as a successful and efficient secretary in Patty's absence.

The Class of '71 has truly proven throughout the past year that they are a most ambitious, and enthusiastic class.

SOPHOMORE EXECUTIVE COMMITTEE

This year's Sophomore Executive Committee claims the distinction of being the second of its kind in Norwalk High History. The Sophomore Exec, as an organization, is a good thing because it trains the Sophs in class efforts and provides valuable experience in fund raising activities, and student government. In the meantime, their class treasury grows.

The officers of this year's Sophomore Exec were:

President — Jim Rodenbush
Vice President — Chip Swain
Secretary — Barbara Jean Kelly
Treasurer — Barbara Brice

NATIONAL HONOR SOCIETY

The National Honor Society is an organization which promotes scholarship, leadership, character, and service. This year, it was successful in all four endeavors. Tutoring, the National Honor Society's traditional service once again yielded fine results. Innovations such as a literary paper and a debating group were initiated into the list of activities. The Mr. Touchdown Dance, usually sponsored by the Student Council, was sponsored by the National Honor Society this year. The Holiday Bow Sale was also a financial success. A

car wash and bake sale ended the club's 1969-1970 year. Contributions to charitable organizations, as well as a \$50 scholarship to a worthy member of the Senior Class were among the expenditures.

The officers of this year's National Honor Society were:

President: Joel Metelits
Vice President: John Paul Abruscato
Secretary: Sharon Reynolds
Treasurer: Bob Broeze

STUDENT AFFAIRS CLUB

The Student Affairs Club gives students a chance to express their views on issues that affect them on the international, national, local, and school scene. More than just discuss, the students act on problems of importance. Among the things done this year, some of the members helped out at the Karamuseum in South Norwalk. The club's major goal was to raise \$1500 to finance the building of a school in Africa, Asia, or South America. We hope that the Student Affairs Club will continue to be successful in giving people the chance to act on issues that concern them.

FUTURE TEACHERS CLUB OF AMERICA

The Future Teacher's Club of America is sponsored by Mrs. Catherine Vigilante. The goal of the club is to inspire interested students to enter the teaching profession, to explore various aspects of teaching, and to instill qualities of leadership, determination, originality, and scholarship in its members.

The FTA headed a program in which students created crayon and pencil cases to deliver to the Head-

start children. They also donated children's books and games. The club tried to have speakers come in order to develop a deeper understanding of the teaching profession. Observation Day was held as usual.

We all hope that the FTA was able to encourage new membership, as well as increase the interest of its old members.

FUTURE MEDICAL CORPS

The "Future Nurses Club" underwent a total change this year under the capable leadership of President Sue Rosner. As the new title may indicate, the club has broadened its scope to all fields of medicine, from X-ray technicians to specialists. These changes were brought about by the growing need for future medical specialists of all types as well as the continuing need

for future nurses. Boys were, therefore, strongly encouraged to join.

Although the re-organization of the club is not yet complete, a great deal of progress was made.

We hope that the Future Medical Corps of the years to come will have as rewarding an experience as this year's club had.

BEAR TRACKS

In a triumphant year of journalism history at Norwalk High, Bear Tracks became the best paper the school has seen in the last four years. With its fine staff, led by Editor in Chief Sue Foster, and Gregory Bufithis as Managing Editor, the paper worked hard to pull out of a \$360 debt to establish itself in the plus column. It was a year marked by more issues, fresher copy, and stimulating commentary. The paper has made great progress, and we all look forward to the day its circulation will exceed that of the New York Times!!

CHESS CLUB

The members of the Chess Club meet every Friday after school. This year, the group was fortunate in having quite a few good chess players. The top players combine their efforts to make up a five man chess team which plays other schools in tournaments. Three out of five wins takes the tournament. The Chess Club had a fruitful year led by its capable officers: President, Kim Holcomb; Vice President, Greg Stachelczyk; Secretary, Claudia Gruss; and Treasurer, Jim Wardwell.

LIBRARY CLUB

The Library Club, unlike most of Norwalk High School's clubs, holds no meetings. The purpose of this club is to provide student help in the library. Members are assigned to the library during one of their free periods, during which they deliver study hall slips, check books in and out, collect fines, put books away, and keep the shelves assigned to them in order. They may also help ready new books for use by pasting in card pockets, or they may put up a bulletin board. Library Club certainly offers a variety of tasks.

Please don't be fooled into seeing library club as entirely one-sided, however. Members do perform a service to their school, but they also serve themselves. Time spent working in the library familiarizes one with the references available, and keeps one up on the new additions. By learning how a library works, students learn how to utilize its facilities, a skill which cannot be valued lightly.

SCIENCE CLUB

Norwalk High School's Science Club is an organization designed to improve the scientific skills and techniques of our science-minded students. Individual research, group projects, films, and field trips are some of the activities which further this group's basic knowledge in Biology, Chemistry, and Physics, and a host of related sciences. Past projects and trips have included

a study of the pollution problem of the Norwalk River, a tour of Norwalk State Technical School, a visit to the Roton Planetarium, and an excursion to the Mid Fairfield County Youth Museum. Sponsored by Mr. John Shostak, this club looks forward to many more years of concentrated research, and study.

DISTRIBUTIVE EDUCATION CLUB OF AMERICA

The Distributive Education Club of America (DECA) was instituted at Norwalk High under the supervision of Mr. Charles McGorty in 1961. The club, first originated in 1941, is an organization designed to develop future leaders in marketing and distribution. DECA, although recently instituted, is the only national youth organization operating in the public school systems throughout the nation.

Many highlights were in store for the DECA club. Two of the members attended the State Leadership Conference in March, and a banquet was held at the end of the year by the DE Club. Of course, the students

did a fine job running the DE Store which sold school supplies, Football and Basketball tickets, and booster buttons. Altogether, the organization did a great deal to bolster the school spirit.

The DE Club officers this year were:

President: Lynn Lametta
 Vice President: Jill Ruedeman
 Secretary: Patricia Anne Tavella
 Treasurer: Janice Johnson
 Historian: JoAnn DeTulleo
 Parliamentarian: Sharon Coccio

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is completing its second season at NHS, and has proven itself popular with its members. On a bi-weekly basis, the girls discuss and practice the skills necessary for managing a home, and family. These girls, along with their sponsor, Mrs. Wheeler, derive lots of pleasure, and a feeling of accomplishment from the FHA.

LE CERCLE FRANCAIS

What club had the most action this year? Who made the exciting trips to New York City, viewing avant-garde French films, visiting bookstores and the opera, and tasting the best in French cuisine?

Who organized inter-school club artistic and political discussions, enjoyed a French woman's lecture on contemporary life in Paris, and planned the most creative, authentic French repas chez Patti Glazer, not to mention the club's excellent entertainment at the American Field Service?

What club's fund raising campaign delighted the town more than ever before?

Who gave the students such school spirit, fun, action, and language fluency? Le Cercle Francais de 1969-1970, bien sur!

SPANISH CLUB

Led by Peter Nemeth, the Spanish Club had a very active year. A bake sale was held to raise money for trips. Some of the activities included going to Viva Zapata for lunch, and having a luncheon. The Spanish Club was very lucky to have the AFS Foreign Exchange student from Spain, Javier Rueda, in its midst. Much of the credit for the club being a success belongs to Miss Schreiner, Mrs. Vigilante, and the club officers: President, Pete Nemeth; Vice President, Eve Gorham; Secretary, Roberta Stabell; Treasurer, Gus Zinovis Cultural Attache, Bob Byxbee (who else?), and Social Director, Nanette Cranston.

THE LATIN CLUB

The Sodalitas Vergiliana, otherwise known as the Latin Club, is a unique organization at Norwalk High. It is composed of the scholars in the Latin 4 and 5 classes.

Throughout the year, skits, which were written by talented members of the club, and filled with clever puns and classical allusions, were performed at holiday times. Members of the club presented the skits for their fellow classmates, and invited guests.

At Saturnalia time they followed the customs of the ancient Roman people, and each member of the club brought a gift for some other member and placed it under the "Saturnalia Shrub."

In the Spring, as in the past, they performed at the popular A.F.S. International Dinner.

"Forsan et haec olen meminisse juvabit." Perhaps it will be pleasing to remember these things someday.

Praeses: Kimberly Holcomb
Praeses Vicarius: Thom Bracken
Scribae: Ellen Karlins
Richard Thornburg

AFRICAN CULTURE CLUB

This year's African Culture Club made much progress in its second year of existence. The purpose of ACC is to familiarize students with the Afro-American heritage, and African culture. The club was host to some distinguished speakers this year. Of course, no one can forget the terrific African dancers. The officers of the club, President, Scott Minerbrook; Vice President, Pam Cross; Secretary, Cathy Vaughn; Treasurer, Denise Jackson, and all the members deserve praise for their hard work.

THEATER CLUB

The Theater Club is the organization from which the whole school profits. This year it tried something different in addition to its annual spring play. They put on a series of one act plays in the fall which turned out to be quite entertaining! Led by their imaginative sponsor, Mr. Albert Woodend, the Spring Play went off very well. Altogether, this year's Theater Club had a very enjoyable year.

USHERS CLUB

Here they are, the femme fatals of Norwalk High School, otherwise known as the Ushers Club

This group of girls, under the direction of Miss Hart, assists the Father's Club, Norwalk Symphony,

Orchestra, and the Theater Club in many of their activities. Many thanks to these girls for the services rendered to their school.

SKI CLUB

The NHS Ski Club, as always, had lots of fun this year. The club, with one of the largest student enrollments of all Norwalk High clubs, took many trips to the slopes enabling students to enjoy their favorite winter sport. Advised by Mr. Pagano, the Ski Club has been one of the most active clubs at school. Of course, a large debt of thanks is due to Mother Nature for providing the good snow conditions!

THE LETTERMAN'S CLUB

The main objective of the Letterman's Club is promoting, and giving recognition to those who have earned a letter in one of the school's varsity sports. Unfortunately, in the past, the Letterman's Club was known only for having provided sweaters, but the club has made a great deal of progress in the last few years.

Under the supervision of Mr. Rebe, the club is doing its share in helping NHS. One of the ways the Letter-

man's Club supports the school is by selling football and basketball programs, and running the refreshment stand at basketball games. The 1969-1970 Letterman's Club has been known for the slogan "We're gonna win."

The officers of this year's club are Lew Wyman, President, Richard Lewis, Vice President, and Tom Cahalan, Secretary.

PEP CLUB

This year's Pep Club consisted of about two hundred fifty high-spirited girls and boys. They helped back our cheerleaders at every football game, basketball game, and rally. A Pep Club member could be found selling shakers and buttons at our football games, or outside the cafeteria fifth period.

This year the Pep Club sold mums for Norwalk's Homecoming on November 1. All of the spirited signs, and posters seen in our halls were made by who else?—our Pep Club! The Pep Club has most definitely been an asset to Norwalk High this year. With officers like outgoing Pat Caden as President; Carmel Fabian, Vice President; Francie Golden, Secretary; and Lori Cohen, Treasurer; how could the school spirit go wrong?

AUDIO-VISUAL AIDES CLUB

The AVA Club is an organization dedicated to school service. Members of this club can be found working backstage for all Norwalk High productions. They run projectors, and operate sound and lighting systems whenever it is requested of them. With their sponsor, Mr. John McCabe, the group took a field trip at the end of the year to some really far out places (UConn?).

Many thanks to the AVA Organization for contributing its share in making this year a success.

EARLY BIRDS CLUB

Of course you've heard about the early bird catching the worm? Well, there may not be any worms in 226, but the Early Birds can be found there, along with Mr. Pollard, from 7:00 on, every morning. The requirements for admission: just be there,

and you're in. The only skill or talent you need is to be able to study, or to talk. So if you roam the halls in the morning with nothing to do, remember, the Early Birds welcome you!

CHOIR

This year, the NHS choir lived up to the high standards set by the choirs of previous years. Working closely with the dedicated students, Mr. Matz, our director, led another fantastic year of choral singing.

The choir started the year with an unprecedented early performance at the new Weston High School. By December, the activities of the choir were in full swing. The annual Candlelight Service was, as always, a beautiful program to watch or take part in. The Choir also sang with the Youth Symphony and Norwalk Symphony in the spring, and finally at our own Spring Concert, a fine culmination of a year's hard work.

Participation in such an organization, led by such a capable director as Mr. Matz, gave each choir member a sense of accomplishment that will never be forgotten.

GIRL'S GLEE CLUB

The Girl's Glee Club, directed by Mr. Matz, consists of about one hundred members. Unlike the school chorus, there are only three parts, Alto, Second Soprano, and First Soprano (what did you expect?)

The first performance of the Glee Club was at the Parent's Night in the fall. In the winter, the group performed at the annual Christmas Candlelight Service. The girls also did a fine job at the Spring Concert, and other events that came their way. Next year's school chorus is sure to be enhanced by these hardworking, talented girls.

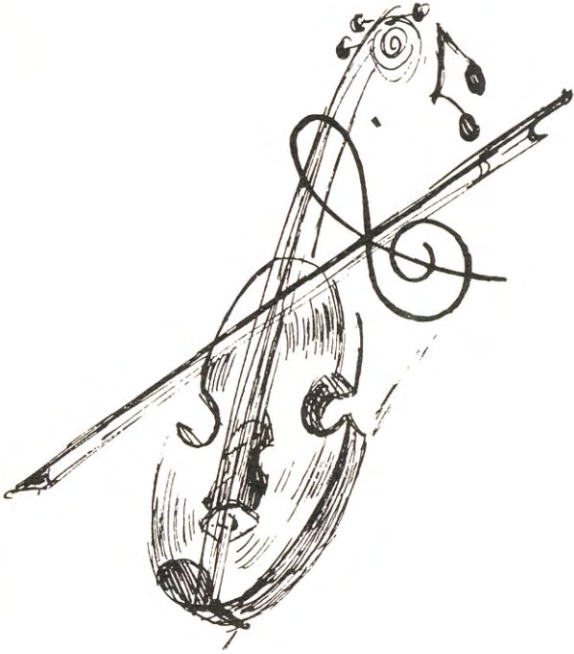

ALL STATE

After many long intense hours of practice, and lots of fun between rehearsals, the 1969 All State Concert proved to be a great success.

Norwalk was represented by seventeen talented musicians at the concert which was held on October 31st at UConn. From the chorus were Joan Blum, Fran Golden, Frank Gaines, Sue Owen, Kris Kuehn, Laura Vlanis, Felice Lesser, Scott Minerbrook, Tom Bracken, Nancy Wallerstein, and Jon Trambert. The orchestra included Gordon Paris, and Karen Roberts on violin, Bruce Kinmouth on viola, and Jeffrey Smith on clarinet. Lisa Smith on string bass, and french horn player Claudia Gruss represented the band.

Every participant will agree that this year's concert was a rewarding experience that both the musicians and the audience will long remember.

ORCHESTRA

The 1969-1970 Norwalk High School Orchestra was under the capable supervision of Mr. Buck Malcolm.

In the past, the orchestras have been much larger, but that does not influence their quality. This year's orchestra consisted of a high grade of sensitive musicians. There are eight former, and current All-Connecticut musicians in our orchestra, which is a large number to have together all at once.

This year, the orchestra's repertoire included performances at the concert at Weston High School, the first Father's Club meeting, the Candlelight Service, the Spring Concert, and many other events that arose during the course of the year.

The superior conducting of Mr. Malcolm, and the hard work of the orchestra members has made this year's orchestra the best Norwalk High will ever see.

BAND

This year, the band was better than ever. It had a great year despite losing many members through graduation last year. Under the direction of Mr. Easton, the band got off to an early start, and was soon worthy of the respect that has been given to Norwalk High School musical organizations over the year.

The band represented the school this year at rallies, football games, Graduation and many other occasions. No matter what the occasion, the Band produced a tremendous sound, and every band member did his utmost to make the band the best Norwalk High has ever had.

AMERICAN FIELD SERVICE

The American Field Service, one of the largest clubs at Norwalk High, is dedicated to promoting international understanding and acquainting students with people and cultures of other lands. This year, AFS, under the direction of advisor Mr. Pagano, was privileged to have two foreign students attending Norwalk High; Suguru Suzuki from Japan, and Javier Rueda from Spain. As well as a very successful bond drive, AFS sponsored many other activities throughout the year such as the opening tea, parties, and the AFS weekend.

This year's officers were:

President: Susan Foster

Vice President: Kathy Keating

Secretary: Jill Sloat

Treasurer: Pat Bonati

To be a student in Norwalk High School was a wonderful experience. I had a great time with everybody. I am in debt with the kids who made my year as happy and exciting as it was. I'll never forget it in all my life.

I am very happy and lucky to be able to come to the NHS and could be a member of seniors in this school. This was the most exciting and interesting year, and I really appreciate the kindness and generosity of students in the school. Whenever I see the memorial things of this school - rings, year-book and such as given here - I will always remember the wonderful days I had in PHS.

FOOTBALL

The Bears had a tough season this year, but continued to show excellence on the field. Bad breaks plagued the team from the start, but devotion and pride kept the games exciting for the whole year. Led by Captain Steve Eufemia, the green wave tallied several

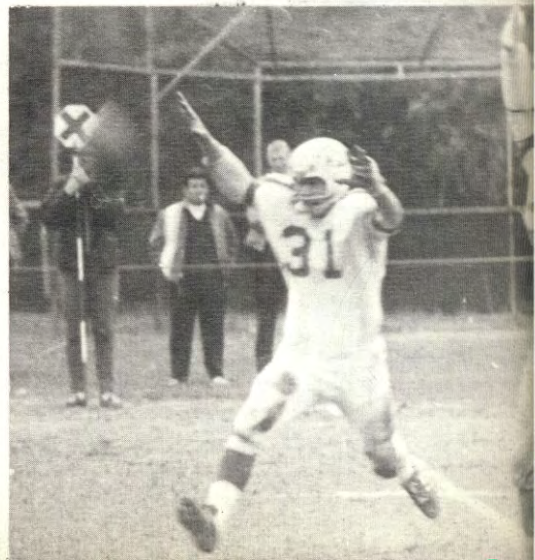

decisive wins including a thriller over Danbury on Thanksgiving Day. The year-round devotion of all the players to the team demands our respect. We admire their determination and hope that the courage and spirit they showed will continue to inspire future teams.

1st row: Harry Kydes, Peter Glazer, Jacques Leleux, Andy Kydes, Captain Tom Cahalan, Peter Kydes, Dave Boger, Chris Simanledes, Roger Provey. 2nd row: Javier Rueda, James VanAcker, Greg Papadopoulos, Gus Zinovis, Dino Lazarides, Andy Glazer, Steve Kvance, Danny Kalmanides, Daniel Patalano, Kevin McMahon. 3rd row: Arie Grumberger, John Papadopoulos, Peter Kovlakes, Andy Savvidis, Richard Kaplan, Lee Schumacher, John Cursio, Peter Pasiakos, Daniel Charnes, Paul Saviano, Mgr. Coach Thomas Scarso. 4th row: Clyde Ikeda, Joe Fallo, David Covillion Manager, Ray Gilbert, Bill Klein, Bob Parfet, Scott Minerbrook, John Latham Manager.

SOCCER

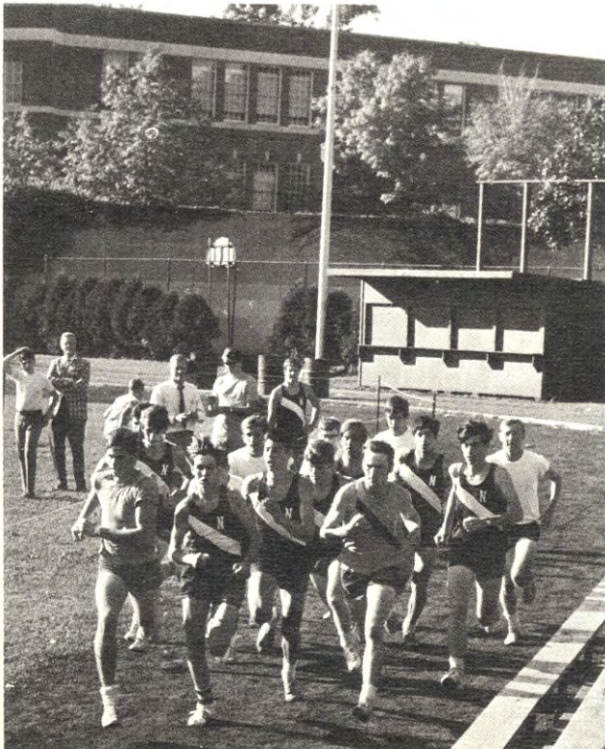

Under the fine direction of Thomas "Boom-Boom" Scarso, the soccer team had one of the best seasons of any team at NHS this year. Their record of 5 wins and 7 losses did not gain them a place in the state tournament, their victory over Brien McMahon for the city title was satisfactory enough.

Led by Captain Tom Cahalan, the Bears ran hard

on the field and were in contention every game. Amid developing crises, the team was able to keep together and continued to play the brand of soccer that NHS is accustomed to. We would also like to thank Greece and France for supplying players to help round out the roster.

CROSS COUNTRY

The Cross Country team, under the direction of Mr Siganos, worked very hard this year although the record didn't show it. Co-captains Jay Collins and Ira Perman and Junior Bill Chard led the team in their meets. The team will undoubtedly improve next year as many talented underclassmen return.

Varsity

Standing: Jane Hylton, Patty Chard, Suzy Bartow, Captain Linda D'Orio, Asst. Coach, Miss Christiansen, Coach, Miss Pesh, Janet Hansen, Cathy Stirling, Lee Chontos, Clare Brooks. Kneeling: Laurie Shea, Bonnie Perman, Laurie Katz, Peggy Walsh, Gail Trusiak, Robin Deal, Debbie Berigow.

WINTER

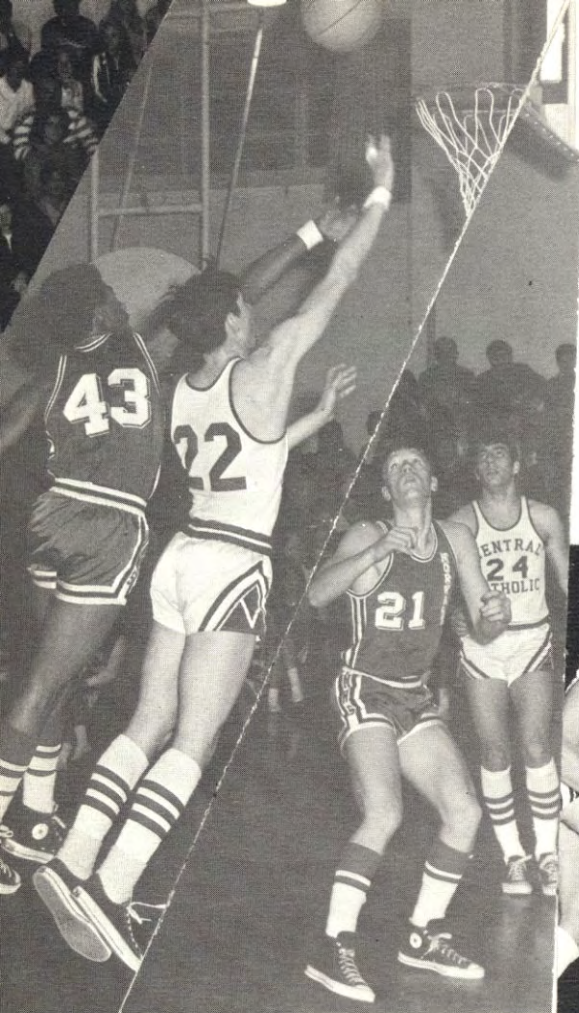

Left to right: Ralph Jackson, Andy Glazer, Doug Peoples, Captain Elliot Harris, Sammy Miller, Pat O'Shaughnessy, Lovell Rowser, Mike Bohstedt, Dave Raila, Cedric Gay, Jesse Adams, and Chris Ippolito.

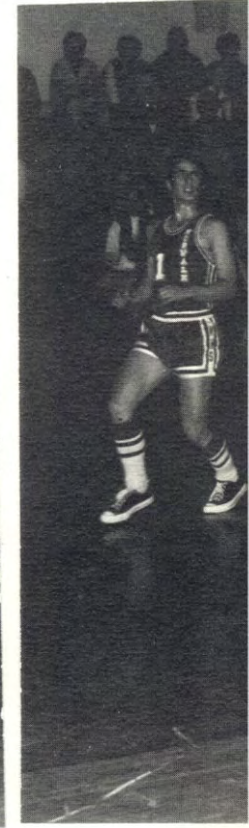

BASKETBALL

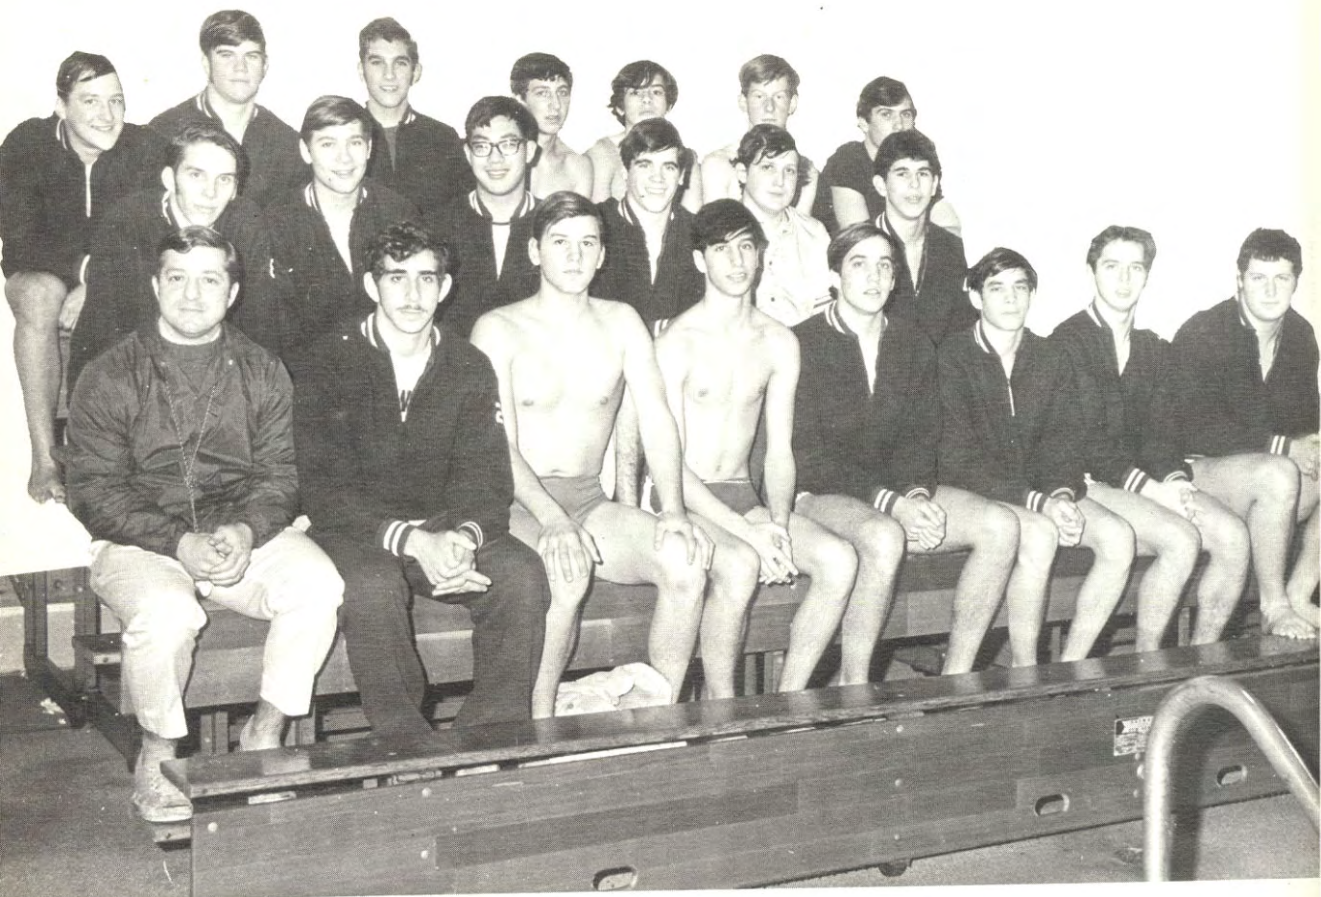

This year Norwalk High School fielded a basketball team that displayed outstanding qualities of drive and spirit. It was a team of young players, expertly coached, gaining valuable experience for the next two seasons. Elliot Harris, Mike Bohstedt, and Chris Ippolito were the lone seniors on this year's squad. Norwalk High School looks forward to next season with an experienced group of outstanding players including Sam

Miller, Dave Raila, Lovell Rowser, Jesse Adams, Doug Peoples and Cedric Gay. Although our record did not show that many wins, this year's team provided thrills and excitement that will be long remembered.

We sincerely thank our coaches, Mr. Ed Cerulli and Mr. Don Quinn for their devoted leadership and the many players and fans that made this season so memorable.

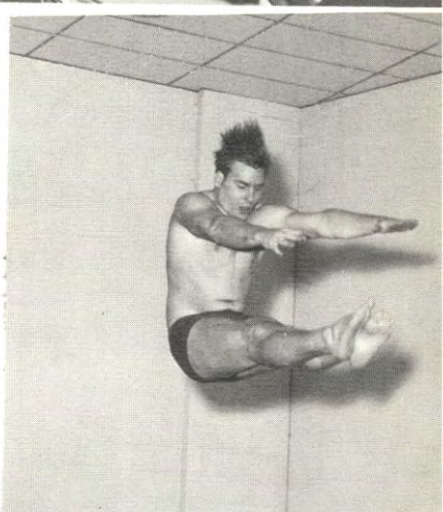

Coach Spinola, Alan Wollkind, Joe Fallo, Mark Bove, Steve Botkin, Kent Goodman, Jon Trambert, Al Balian. 2nd row: Paul Toms, Pete Nemeth, Clyde Ikeda, Pat Scanlon, Keith Rogers,

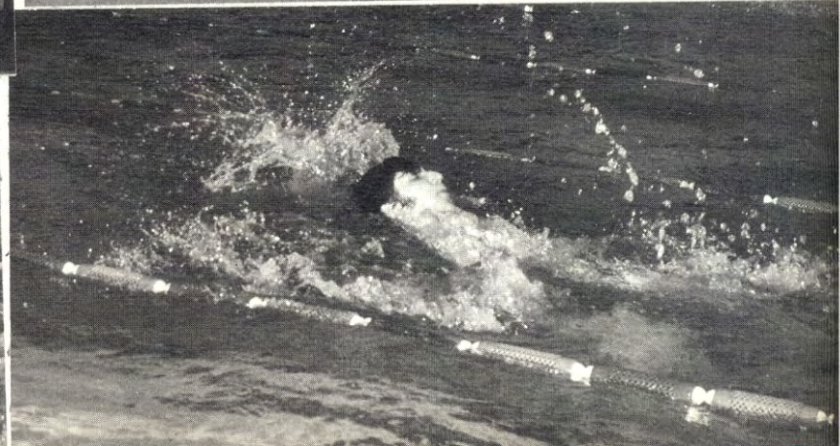

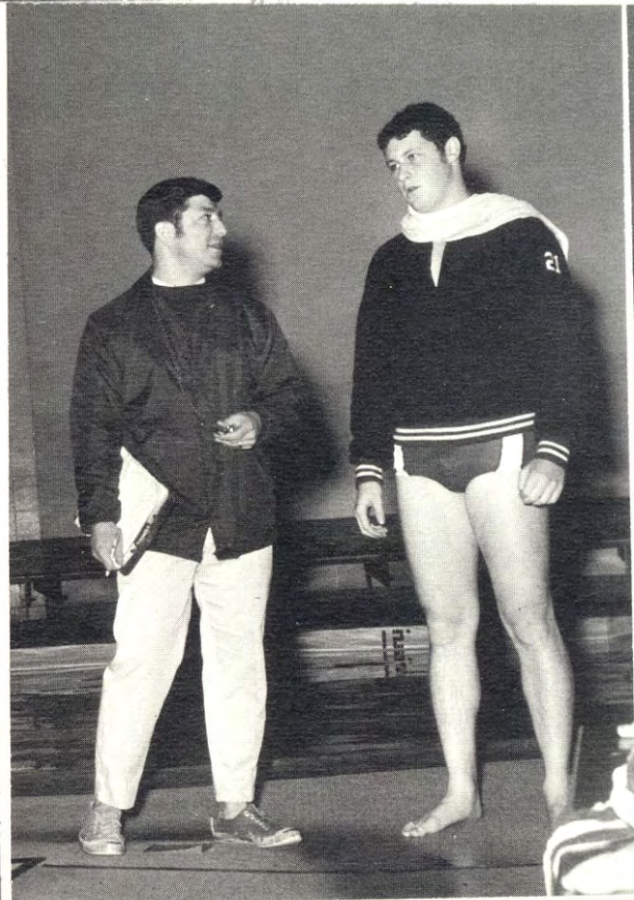

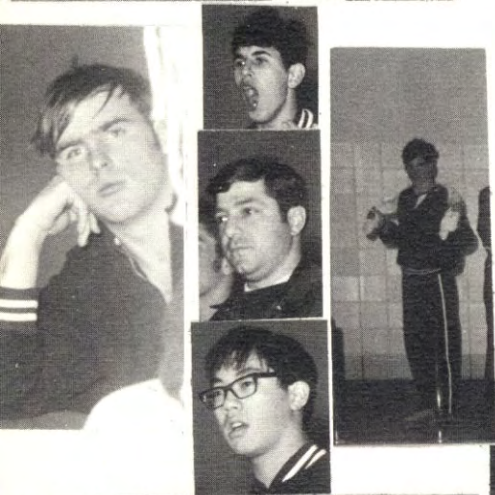

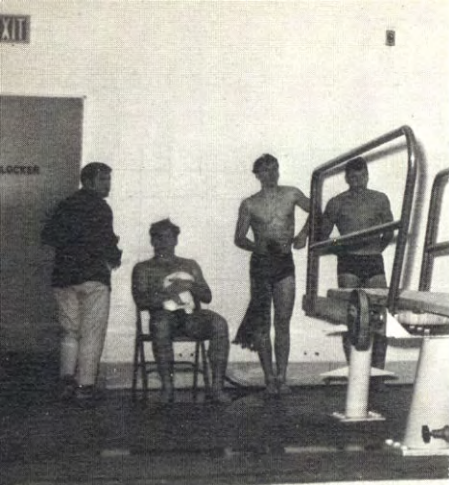

Jim VanAcker. 3rd row: Brian O'Malley, Jim Rodenbush, Mike Rodin, Chuck Seaman, Gary Cholakian, Arthur Burleigh, Steve Eufemia.

SWIMMING

The members of this year's Norwalk High School Swim Team showed us a great deal of talent and endurance. The Aqua-Bears swam eleven meets this year, each one exciting and demonstrating a fine display of team effort. They practiced many long hours under the able coaching of Mr. Pat Spinola and it paid off for Tom Rutherford, Capt. Alan Wollkind and Pat Scanlon, who set records this year. Our medley relay team

placed third in the state. Dick Kesl was outstanding in the diving events, contributing many important points to our team scores. Their satisfying wins over Brien McMahon and Stamford showed us a strong team for the future. We would like to thank our coach and a great group of athletes representing our school in a rising division of inter-school athletics.

First row: Dave Geisler, Bob Kaestner, Bruce Appleton, Co-capt. Brad Schwader, Co-capt. Doug Laughton, Rich Dino, Jay Collins, Pete Harrison, Kevin Moseley, John Bassett
 Standing: Mgr. Dave Howard, Mike Sweeney, Scott Perc, Ralph DeMassa, Bob Lockhead, Dave Begin, Pete Eglington, Coach Scarso, Paul Schicke, Casey Oneitis, Doug Pirc, Ray Judatis, John Alberta,, and Doug Fauls.

HOCKEY

Norwalk's record (5-9) this year did not show as well as the team would have liked, but provided this year's many new spectators with excitement and a preview of things to come. Most of this years young team gained valuable experience and we look forward to next year with some fine young players on the ice.

The co-captains Doug Laughton and Brad Schwader were outstanding on offense and defense. Doug rated high in individual standings in scoring for the league. Rick Dino and Ray Judatis were two outstanding juniors who will provide the Bears with a great deal of strength for next year's squad.

Much appreciation goes to all of the skaters and managers along with a special thanks to Coach Scarso for giving many fans an entertaining season.

First row: Robin Deal, Captain Linda D'Orio, Jane Hylton, Debby Castelucci. Standing: Mgr. Amy Marcus, Gail Trusiak, Lee Chontos, Coach Pesh, Peggi Walsh, and Mgr. Cheryl Wokeck.

GIRLS BASKETBALL

This year the girls played a new type of game; five full court players instead of the usual six man team. Spirit was high at all the games, unfortunately, the team, led by Linda D'Orio, didn't get the hang of it until the end of the season. They finished off the season with a 3-4 record which was fairly good. Next year they will be even better as Babs and her friends return.

SPRING

Sitting: Bill Chard, Dick Tanger, Doug Peoples, co-captains Jay Collins and Rit Kaplan, John Alberta, Andy Kydes, and Brian Smith. Kneeling: Joe Fallo, Dave McFall, Larry Wolfe, Dan Hughs, John Paul, Nick Mordwinkin, Tom Phillips, Roger Provey, Paul Schicke, Lenny Kennen, Matthew Blackman, and

Doug Vale, mgr. Standing: Coach Scarso, Leslie Smith, Jeanett Feshkins, Mike Austill, Steve Ebert, Steve Munger, Jeff Silverstein, Dave Van dan Ameele, Ron Pine, Art Falcone, Paul Resweber, Doug Raila, Mike Caden, Guy Darter, Ray Gross, and Coach Paight.

TRACK

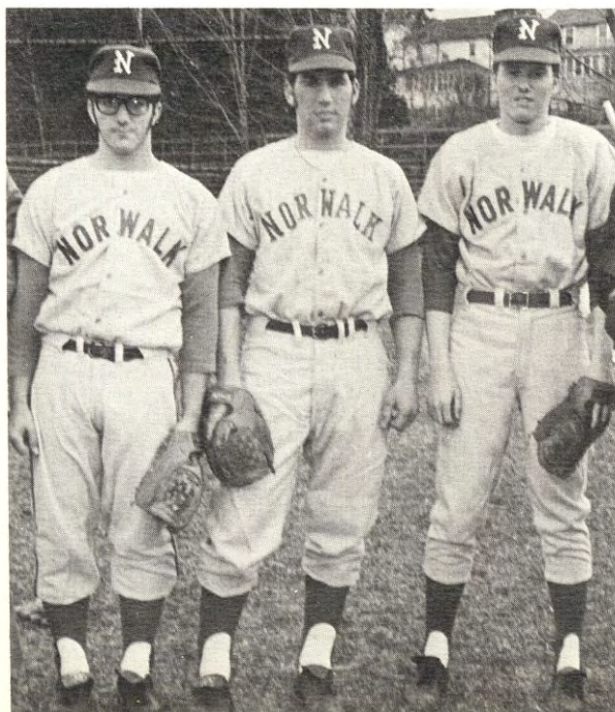

The Track Team coached by Mr. Scarso and Mr. Paight finished with a 6-3 record, the best in many years. The team had many exciting moments including the mile relay teams' new school record (left). Norwalk had two representatives in the states, Brian Smith and Mike Caden who finished fifth in the 880. Dick Tanger tied Calvin Murphy's high jump record with a jump of 5'11". Along with other fine athletes returning, the team has hopes of bettering this year's record.

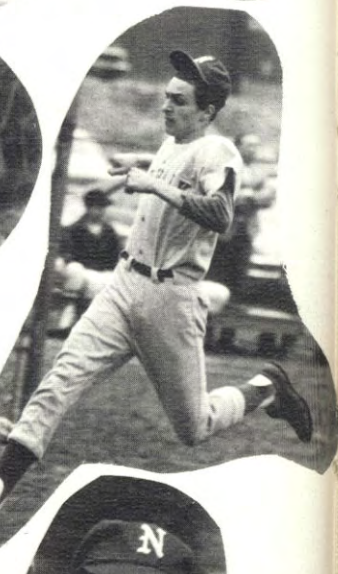

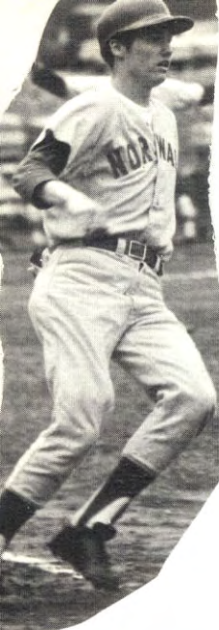

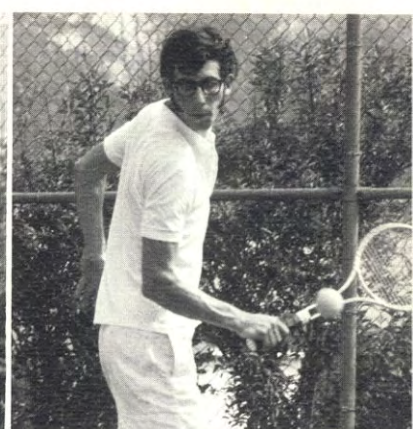

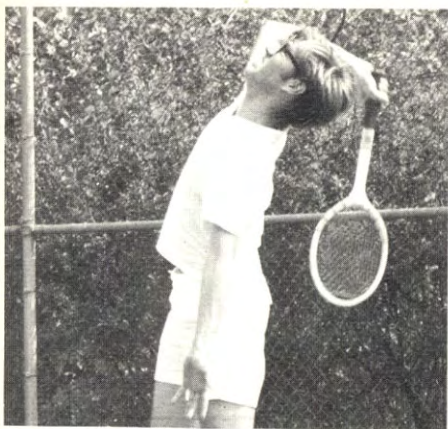

Sitting: Brian O'Malley, Guy Rocco, Steve Goodman, Richard Lewis, Brett Goodwin, Tom Hosack.
 Standing: captains, Ken Hosack, Roger Dorn, Paul Perlman, Eugene Siciliano, Pat Calahan, Ray
 Rzasa.

BASEBALL

The Baseball team finished with an 8-10 record this year, the best in three years at Norwalk. The season was marked with many outstanding moments including a nine inning victory over the league leader Stamford Catholic. Led by captains Paul Perlman, Ken Hosack and Roger Dorn, and seniors Rich Lewis, Gene Siciliano, and Steve Goodman, the Bears were respected by all they faced. Roger Dorn received Honorable Mention on the All County team. The team should improve next year as many fine sophomores and juniors will be returning. Many thanks to our coaches Mr. Jack Cronin and Mr. Don Quinn.

TENNIS

The Norwalk High Tennis Team has long been known for its insatiable spirit and amusing court antics. This year's team followed in the fine traditions of the past as they attempted to squelch the fierce competition of the F.C.I.A.C. circuit. The team was more balanced, over-all, than previous squads with strength in every position. The Varsity players were: Bob Parfet, Tom Gaynor, Greg Stachelczyk, Jim Rollins, Donald Specter. Mike Rodin, Matthew Meher, Richard Shoemaker and John Babaria made up the Junior Varsity. Coach Pagano hopes that next year's varsity will demonstrate the same qualities of sportsmanship and determination as this years departing seniors.

GOLF

The Golf Team, coached by one of the best swingers around, Mr. Ed Cerulli, improved their record this year. They started their season strongly and finally finished with 7-14 record. The team consists of Gordon Paris, Bob Keleher, Craig Keeley and Pete Anrico.

PLAYBILL

Banjos, college blazers, a beautiful blond heroine, secret fraternity meetings, soft shoe routines, a touchdown in the last few minutes of the game—this was "Leave It To Jane", a 1917 musical hit revived by students of NHS. It all started in a sleepy college town where Atwater College was anxiously preparing for the annual football game with arch-rival Bingham. Hopes for victory are low until lovely Jane Witherspoon (Virginia Lang) daughter of Atwater's President (Bob Parfet) uses her wiles to charm All-American Halfback Billy Bolton (Kris Kuehn) to renounce his allegiance to Bingham and play for Atwater. Atwater is victorious, but alas, Billy learns of Jane's deceit. However, the ending is happy as all misunderstandings are cleared up and Atwater once again becomes a sleepy college town.

Among the many comic characters enlisted to aid in these endeavors Stubby Talmadge (Allen Church), the object of Bessie Tanners' (Linda Reeves) affection, Bub Hicks of Squantomville (Jon Hausburg), and comical Flora Wiggins, the waitress (played by the very talented Lisa Passero). Last, but most certainly not least, the play would not have been the same without our own wildy hilarious Robert Dwight Byxbee.

the new optics... a looking glass to tomorrow

Our young scientists are using the new optics to look into the next decade. And beyond.

They are combining laser and optics into optical data processing systems. Using optical instruments to probe the universe and unlock the secrets of molecular structure. Developing the laser into a communications tool for outer space and a measuring tool here on earth.

These and many other engrossing projects are possible because Perkin-Elmer is in the forefront of the new optics.

If you would like to help develop this young technology, consider a career in science. At Perkin-Elmer, Norwalk, Connecticut. An equal opportunity employer.

PERKIN-ELMER

Perkin-Elmer Physicist Betsy Alte experiments with laser-reflecting prism assembly similar to one left on moon.

MR. & MRS. RUTTENBERG

Letter to Doug Tillson

Dear Doug:

Six years ago, we didn't know each other very well.

You were fresh out of Norwalk Tech, had done a little drafting, weren't sure where your future was. But you were bright and ambitious. We took a chance and hired you.

We were Stamford's largest employer and getting bigger, spawning new products, making new jobs. You wanted a future . . . but in a big company, a guy could get stuck in a dead-end job and forgotten. Still, there was our training offer—learn the ropes, pick your own field, move ahead at your own speed. So *you* took a chance.

Today, we know each other better.

"Inventive . . . ingenious . . . persistent" your boss calls you. With a knack for solving problems, getting people on the team. That's why you've become one of our best (and youngest) foremen, supervising 42 production people at PB's fast-growing Copier Products Division in Norwalk.

In these six years, you've learned that when we said "training opportunity," we meant it. Right now, we have an even broader range of jobs, more training opportunities than when you began. Not just on-the-job stuff, but real classroom instruction, all the way from machine operation and technical training to toolmaking, modelmaking and design.

Why do we train people? Simply because their skills and contributions are the real key to the company's success. That's something we've both learned.

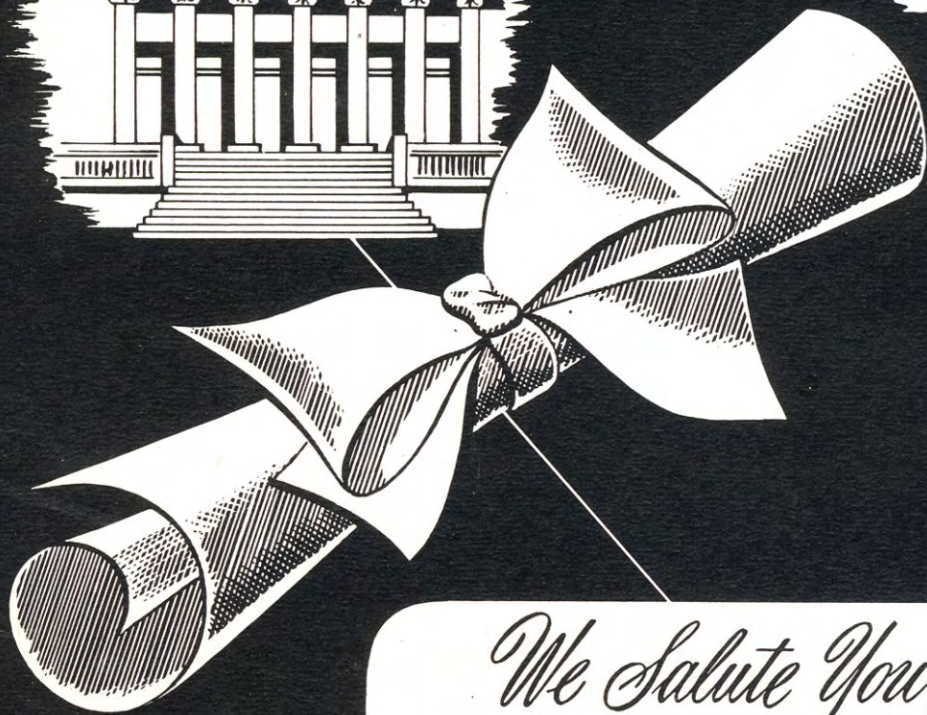

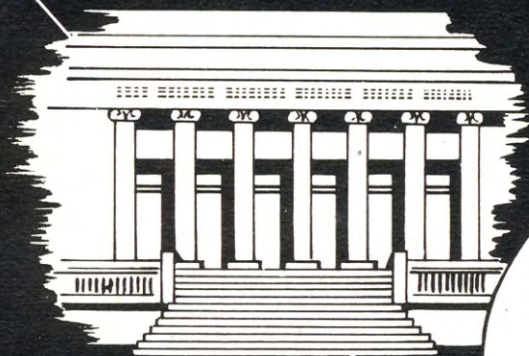

So thanks, Doug, for taking a chance with us. It's worked out fine. And if you'd like to do us another favor . . . pass the word along that PB's doors in Norwalk and Stamford are still wide open to ambitious young men and women who want to learn and grow on the job. We'll help them shape *their* future—if they'll help us shape *ours*.

Are you aware? I mean, I'm asking you a very serious question. Do you believe in the orgasmic future that recedes before you day by day? And, if it eluded you then, do you resolve to run faster, and reach out farther tomorrow? Do you think that one fine morning you will find a new world, real without being material, where happy spirits breathe dreamlike air? Can you see them drifting about, like ethereal figures gliding toward you through crystalline clouds of beauty? Are you overwhelmingly aware of the ripe mysteries and freshness of youth, gleaming like silver, safe and proud above the hot struggles of the poor? Do you sometimes give seemingly casual things an aura of breathless intensity? Have you ever seen a vision, more beautiful and peaceful than any other? A vision of gay and radiant activities, and of romances that were not musty and laid away in lavender, but fresh and breathing and redolent of crimson collages whose flowers were scarcely withered? At your touch, does she blossom for you like one of those flowers until you realize that the incarnation is complete? And then, do you realize that before you stretches the portentous, menacing road of an entire new day? Have you ever been disgusted by someone saying in disdain, "Nowadays, people begin by sneering at family life and family institutions, and the next thing you know, they'll throw everything overboard and have intermarriage between black and white!" And then, does your face flush as you shout impassioned gibberish, coherent only to yourself, as you see yourself standing alone on the last barrier between sanity and civilization? Do you suspect yourself of at least one cardinal virtue, that being that you are one of the few honest people you have ever known? Do people come up to you and say: "You know what I think of you? You're crazy; crazy as hell. I don't know what's the matter with you." And do you grinningly agree? If you do comprehend these few thoughts, my comrade, then you are most definitely aware; but don't worry. I wouldn't have you any other way!
